NutrigeneAI Marks Its First Major Milestone with Inaugural Shareholders' Meeting

Hong Kong | 19th Mar 2026

NutrigeneAI Biotech Limited is pleased to announce the successful conclusion of its **inaugural shareholders' meeting**, marking the company's **first major milestone** in its growth journey.

The event brought together shareholders, investors, and partners to reflect on the company's progress and discuss its future direction.

During the session, **Mr. Gary Ng, CFO**, delivered opening remarks to express appreciation for the continued support from stakeholders. **Mr. Bill Wong, CEO** then shared updates on the company's recent developments and strategic outlook.

The presentation highlighted NutrigeneAI's commitment to advancing **AI-driven precision nutrition and biotechnology innovation**, transforming research into impactful health solutions.

NutrigeneAI extends its sincere gratitude to all supporters and looks forward to continued growth and collaboration in shaping the future of intelligent health.
